

Home care made easy

Nursing is becoming increasingly popular as associated with **institutional care spiral forever** ends. With the correct equipment, home care can become a more manageable task.

Health care providers have been supplying specialised equipment and consumables to the health care industry for many years, and this service is now available to those practising home care.

Two cornerstones to Sage Health's

approach are

- to maintain the patient's dignity
- to ensure the patient's absolute comfort

it starts with a decent bed

For those patients who are bedridden, a comfortable and supportive bed system is vital. In addition to specialised beds, Sage Health provides **SILVER+** Antimicrobial Convoluted Mattresses, ideal for those who spend most of their time in bed. The patient Lift and Turn is very useful when assisting the frail or those who do not have full use of their limbs. **SILVER+** Antimicrobial Mattress Protectors are perfect for maintaining the mattress in a sanitary condition.

Sage Health has developed a Home Care Pack that includes the following items to make nursing easier:

- 1 patient gown
- 1 towelling bib
- 1 **SILVER+** Antimicrobial - Covered Pillow
- 1 polycotton pillowcase
- 1 polycotton fitted sheet
- 1 draw sheet
- 1 polycotton flat sheet
- 1 white cellular blanket

Dignified and comfortable home-based care for the ill and aged can be made easier. Sage Health is committed to providing the products and services to make it a reality.
